

This Year's Love

E.M.D.

This years love had better last
Heaven knows it's high time
I've been waiting on my own too long
And when you hold me like you do
It feels so right
I start to forget how my heart gets torn
When that hurt gets thrown
Feeling like you can't go on

Turning circles time again
Cut like a knife oh no
If you love me got to know for sure
Cos it takes something more this time
Than sweet sweet lies
Before i open up my arms and fall
Losing all control of every dream inside my soul
And when you kiss me on that midnight street
Sweep me off my feet
Singin' ain't this life so sweet

This years love had better last
This years love had better last

So who's to worry if our hearts get torn
When that hurt gets thrown
Don't you know this life goes on
And won't you kiss me on that midnight street
Sweep me off my feet
Singin' ain't this life so sweet

This years love had better last
This years love had better last
