

Billy Jive

E-Rotic

Oh, Billy jive with Willy's wife
'Cos she's the best thing in your life
Don't do no wrong - just come along
And take her dilly-dilly-dally-dong...
Tonight
Make it move! Make it move! Ah!
C'mon, girl!

Willy is mean
But have you seen - have you seen his wife Irene?
She's so sexy, young and hot
She looks so good - turn on the spot
I'm living just door-to-door
Willy's such a mean old bore
He keeps working from nine to five
And I'm gonna jive with Willy's wife

Oh, Billy jive with Willy's wife
'Cos she's the best thing in your life
Don't do no wrong - just come along
And take her dilly-dilly-dally-dong
Oh, Billy jive with Willy's wife
'Cos Willy's not at home from nine to five
Just hold her tight and do it right
Oh, little Billy jive with Willy's wife... Tonight

Give me your dilly-dilly-dally-dong
Ah-ah, ah-ah
Aah...

Willy is bad
But I will get - I will get all the love he had
'Cos she wants me - she wants me so
And when I knock, she won't say "No"
Willy's working in a butcher shop
When my Billy's doin' his job
He's leaving, and I arrive
And I'm gonna jive with Willy's wife

Oh, Billy jive with Willy's wife
'Cos she's the best thing in your life
Don't do no wrong - just come along
And take her dilly-dilly-dally-dong
Oh, Billy jive with Willy's wife
'Cos Willy's not at home from nine to five
Just hold her tight and do it right
Oh, little Billy jive with Willy's wife... Tonight

Give me your dilly-dilly-dally-dong
Ah-ah, ah-ah
Aah...

Billy is back
Uh, uh
(-irl)

Oh, Billy jive with Willy's wife

'Cos she's the best thing in your life
Don't do no wrong - just come along
And take her dilly-dilly-dally-dong
Oh, Billy jive with Willy's wife
'Cos Willy's not at home from nine to five
Just hold her tight and do it right
Oh, little Billy jive with Willy's wife... Tonight

Give me your dilly-dilly-dally-dong
Ah-ah, ah-ah
Aah...

Make it move! Make it move! Ah!
C'mon, girl!
Aah...
