

Let's Get It Started

E-Rotic

Hey when you call, you call upon the master
Hey when you call, your mind is blown away
Hey when it breaks, don't call it a disaster
Sweat from your pores, we're going all the way

Let's get it started
Let's get it started
Let's get it started

Oh, I wanna make this louder
Oh, come on and feel me up
I say, oh you make it so much harder
Oh, I just can't get enough

Let's get it started
Let's get it started
Let's get it started
Let's get it started

Oh
Oh oh oh
Oh
Oh oh oh

Hey what you call, you call to make it faster
Hey what you call, we're burning as we play
Safe from the fall, flying higher than a raptor
Hey when you call, we're going all the way

Let's get it started
Let's get it started

Oh, I wanna make this louder
Oh, come on and feel me up
I say, oh you make it so much harder
Oh, I just can't get enough

Let's get it started

Oh
Oh oh oh
Oh
Oh oh oh

Let's get it started

Oh
Oh oh oh
Oh oh oh

Let's get it started
