## Money, Money, Money

I work all night, I work all day To pay the bills I have to pay, ain't it sad? And still there never seems to be A single penny left for me, that's too bad

In my dreams I have a plan If I got me a wealthy man I wouldn't have to work at all I'd fool around and have a ball

Money, money, money, must be funny In the rich man's world Money, money, money, always sunny In the rich man's world, aha ah All the things I could do if I had a little money It's a rich man's world, it's a rich man's world

A man like that is hard to find But I can't get him off my mind Ain't it sad, and if he happens to be free I bet he wouldn't fancy me, that's too bad

So I must leave, I'll have to go To Las Vegas or Monaco And win a fortune in a game My life will never be the same

Money, money, money, must be funny In the rich man's world Money, money, money, always sunny In the rich man's world, aha ah All the things I could do if I had a little money It's a rich man's world

Money, money, money, must be funny In the rich man's world Money, money, money, always sunny In the rich man's world, aha ah All the things I could do if I had a little money It's a rich man's world, it's a rich man's world
