

# Murder Me

E-Rotic

Just break my heart  
I gotta know if you're so savage and so smart  
I wanna make you tear my fantasies apart  
Become a victim of your love (-tim of your love)  
You dress to kill  
I wanna pull you out, believe me that I will  
I gotta see you've got the body and the skill  
I'm longing for your dirty love (dirty love)

Kill me; all I want is thrill me  
All I want is murder me, murder me, murder  
Murder me, murder me, murder  
Kill me; all I need is drill me  
Lay me down, and murder me, murder me, murder  
Murder me, murder me, murder

Kill me; all I want is thrill me  
All I want is murder me, murder me, murder  
Murder me, murder me, murder  
Kill me; all I need is drill me  
Lay me down, and murder me, murder me, murder  
Murder me, murder me, murder

I know you know  
We wanna have a lot fun before you go  
I gotta feel you, wanna make your whistle blow  
Until I'm powered up by love (-wered up by love)  
Do what you want  
Tonight I wanna feel the killers on the hunt  
Come on and show me that your weapon's not too blunt  
I wanna taste your dirty love (dirty love)

Kill me; all I want is thrill me  
All I want is murder me, murder me, murder  
Murder me, murder me, murder  
Kill me; all I need is drill me  
Lay me down, and murder me, murder me, murder  
Murder me, murder me, murder

Kill me; all I want is thrill me  
All I want is murder me, murder me, murder  
Murder me, murder me, murder  
Kill me; all I need is drill me  
Lay me down, and murder me, murder me, murder  
Murder me, murder me, murder
