

## Forever More

E-Type

Why is it that you are there when  
I am not awake  
Where do you go when I'm here  
I still can sense your ache

(I U FIRE)  
(I Am Entombed)

I can't leave when i know that you need me  
Why can't you please see  
That you have to let me go  
When you call me amazing  
I wanna stay forever more

I can't leave when I know that you see me  
That you believe me  
But you will have to let me go  
Don't you call me amazing  
Cause I can't stay forever more

I can't leave when I know that you need me  
I want to stay  
But I have to go

I can't leave when i know that you need me  
Why can't you please see  
That you have to let me go  
When you call me amazing  
I wanna stay forever more

I can't leave when I know that you see me  
That you believe me  
But you will have to let me go  
Don't you call me amazing  
Cause I can't stay forever more
