I wish I had a bulletproof soul
I wish I had a bulletproof soul

Your bad behaviors that kept me warm
And my bulletproof soul

Replacing today's prayers with a small pill
And my chemical peace

Just stay with me
Just stay with me
Not knowing how sad we are
Not knowing how sad we are
Not knowing how sad we are
Not knowing how sad we are
Not knowing how sad

There must be many forbidden fruits
On the tree now. At my forgotten home

Just stay with me
Just stay with me
Not knowing how sad we are
Not knowing how sad we are
Not knowing how sad we are
Not knowing how sad we are
Not knowing how sad

I wish I had a bulletproof soul
I wish I had a bulletproof soul
