

# Back on Track

Eagle Eye Cherry

Everybody knows we make mistakes  
Everybody knows a heart can break  
Everybody knows we've broke a few  
I just wanna know what's eating you

Baby, trust me  
I know your little secret's hard to tell  
Don't be sorry  
Gotta go easy on yourself  
I'm only here for you and no one else

We are  
We are ready to get on back  
Get back on track  
Baby you know that  
We are  
We are ready to get on back  
Get back on track  
Baby you know that

You need to get something off your mind  
You can take a deep breath just take your time  
I know your heavy heart is killing you  
Ain't nothing in you we can't undo

Baby, trust me  
I know your little secret's hard to tell  
Don't be sorry  
Gotta go easy on yourself  
I'm only here for you and no one else

'Cause we are  
We are ready to get on back  
Get back on track  
Baby you know that  
We are  
We are ready to get on back  
Get back on track  
Baby you know that

Yeah yeah  
Don't be afraid to ask for help  
Yeah yeah  
It's you and me and no one else  
Yeah yeah  
Yeah I know a secret's hard to tell  
Baby you know that

We are  
We are ready to get on back  
Get back on track  
Baby you know that  
We are  
We are ready to get on back  
Get back on track  
Baby you know that

Yeah yeah  
Baby you know that  
Yeah yeah  
Baby you know that

We are  
We are ready to get on back  
Get back on track  
Baby you know that
