

# Believe

Eagle Eye Cherry

You are so concerned with sweet nothings  
That it makes you die  
Inside why succumb to the pressure  
Go where you belong  
In my eyes you are beautiful  
As could be, you're being insecure  
Nothing in this world is what it seems  
In a world so unsure  
I believe in you  
Nothing in this world can make my feet fall to the ground

Every tear is a waterfall  
Every morning is an open door  
Where gonna make it  
I've been here before baby  
When your back is up against the wall  
And you thought you lost it all  
Don't worry I've been here before

Join me I don't give two cents  
About what people have to say  
You should be concerned  
With some loving if you feel the same  
Let's go to a place that is beyond  
We can find a cure  
Nothing in this world can make my feet fall to the ground

Every tear is a waterfall  
Every morning is an open door  
Where gonna make it  
I've been here before baby  
When your back is up against the wall  
And you thought you lost it all  
Don't worry I've been here before

I believe in you  
Don't worry I believe in you  
Girl you know it's true  
Don't worry I believe in you baby

Every tear is a waterfall  
Every morning is an open door  
Don't worry I believe in you baby  
When your back is up against the wall  
And you thought you lost it all  
Don't worry I believe in you baby  
Don't you worry I believe in you
