

Down and Out

Eagle Eye Cherry

At the station
You're still waitin'
You're still waitin' for him to arrive
Train is coming
You can't see him
You can't see him, you wonder why

No you can't
Understand
What it's all, it's all about
Reaching out for a helping hand
When you're down, you're down and out

Now you're coming, yeah
Yeah you come in the crowd
No one's helpin' you
When you're down, you're down and out

He is comin'
And he's lookin'
He is lookin' for you tonight
But he can feel it
Feelin' somethin'
Feelin' somethin' has gone awry

No you can't
Understand
What it's all, it's all about
Reaching out for a helping hand
When you're down, you're down and out

Now you're coming, yeah
Yeah you come in the crowd
No one's helpin' you
When you're down, you're down and out
When you're down, you're down and out
When you're down, you're down and out
When you're down, you're down and out

Now you're coming, yeah
Yeah you come in the crowd
No one's helpin' you
When you're down, you're down and out
(Yeah you know it babe)
When you're down, you're down and out
When you're down, you're down and out
When you're down, you're down and out
