

# Dream Away

Eagle Eye Cherry

Let's dream away from here tonight  
Just let it go and close your eyes  
Leave all your troubles here with me  
You'll always know where I will be

Let's dream away and go back home  
Don't wanna do this all alone  
Can't find a reason not to go  
Won't need to say I told you so

We all need somebody  
Together, makes us stronger  
Don't have to do this alone

So let me take you away  
Say goodbye to your broken heart  
Just let me take you away  
When you're dreaming, don't ever stop  
Don't ever stop

Let's dream away from here tonight  
I'll always be right by your side  
Promise, we can always get through  
As long as one makes me and you

We all need somebody  
Together, makes us stronger  
Don't have to do this alone

So let me take you away  
Say goodbye to your broken heart  
Just let me take you away  
When you're dreaming, don't ever stop

So let me take you away  
Say goodbye to your broken heart  
Just let me take you away  
When you're dreaming, don't ever stop  
Don't ever stop

Say goodbye, say goodbye, say goodbye  
To your broken heart  
Say goodbye, say goodbye, say goodbye, say goodbye, say goodbye  
To your broken heart  
Say goodbye, say goodbye, say goodbye, say goodbye, say goodbye

So let me take you away  
Say goodbye to your broken heart  
Just let me take you away  
When you're dreaming, don't ever stop  
No, don't ever stop

Let me take you away  
Say goodbye to your broken heart  
Just let me take you away  
When you're dreaming, don't ever stop  
No, don't ever stop

Let's dream away from here tonight  
Just let it go and close your eyes
