

# Drunk and Sublime

Eagle Eye Cherry

This is the time  
When I don't want it anymore  
Drunk and sublime  
Barely can make it through the door  
The city of sleeping  
Don't ask me what I'm waiting for  
Tonight  
Tonight

I don't know what to say  
I try to walk away

Why don't you go and make 'em change  
'Cause everything I do just fades away  
Why don't you go and make 'em change  
Baby only you can show the way

Which way to go  
I don't understand me anymore  
Forgetting to know  
That it was you I'm looking for  
Find me a reason  
That I should get up off the phone  
Tonight  
Tonight

I don't know what to say  
I try to walk away

Why don't you go and make 'em change  
'Cause everything I do just fades away  
Why don't you go and make 'em change  
Baby only you can show the way

This is a time  
When I don't want it anymore  
Drunk and sublime  
Barely can make it through the door

Don't know what to say  
Try to walk away

Why don't you go and make 'em change  
'Cause everything I do just fades away  
Why don't you go and make 'em change  
Baby only you can show the way

Why don't you go and make 'em change  
Why don't you go and make 'em change
