Eagle Eye Cherry

**Ami**                    **C**    **G**  
I'm so tired of falling in love

**Ami**   **C**                    **G**  
Finding it easier to fall out

**Ami**    **C**    **G**  
I can't deny it I feel it inside

**Ami** **C**                    **G**  
I 'll keep its fire you can't hide

**Ami**    **C**  
I'm fallin in love again

**G**  
Ain't nothing I can do

**Ami**    **C**  
Falling in love again

**G**  
This time is with you

**Ami** **C**                    **G**  
When I fall it's always the same

**Ami**   **C**                    **G**  
And I'm so tired of playing this game

**Ami**   **C**                    **G**  
It's so long now since I gave up my heart

**Ami**    **C**                    **G**  
I 've kept the light down I don't wanna get it hard

**Ami**                    **C**                    **G**  
So let me tell me now I just wanna be sure

**Ami**    **C**                    **G**  
That you won't hurt me can you promise me that?

**Ami**                    **C**  
Got the tell me if you're gonna break my heart

**G**  
If you don't wanna take the chance

**Ami**                    **C**  
And if it ain't true all it's gonna be

**G**  
Is nothing but poor romance

**Fmaj7**                    **C**  
So, give me that promise to hold on now

**G**  
I'll never let you go

**Fmaj7**                    **C**  
I've got to have something go on, oh

**G**   **C**   **G**  
Then you know now
