

Just Because

Eagle Eye Cherry

Saturday is here and you're not so sure
Where you're gonna go tonight
Times like these well you know you're bored
I don't need to ask you why

Sure it's been a while
Since you were doing what you feel
Might as well go wild
Might as well go where you want to be

Now we're doing it just because
We can get away with much too much
Got two tickets on the greyhound bus
Yeah we're doing this just because

Skyline promise when you look ahead
Baby you don't need a plan
'Cause you've never been one who's gonna be afraid
Do it 'cause you know you can

Sure it's been a while
Since you forgotten what is real
Might as well go wild
Might as well go with what you feel

Now we're doing it just because
We can get away with much too much
Got two tickets on the greyhound bus
Yeah we're doing this just because

Yeah we're doing it
Yeah we're doing it
Just because
Yeah we're doing it
Yeah we're doing it
Just because

Now we're doing it just because
We can get away with much too much
Got two tickets on the greyhound bus
Yeah we're doing this

Now we're doing it just because
We can get away with much too much
Got two tickets on the greyhound bus

Yeah we're doing this just because
Yeah we're doing it
Yeah we're doing it
Just because
Yeah we're doing it
Yeah we're doing it
Just because
