

When Mermaids Cry

Eagle Eye Cherry

G

She was drowned in suicide faithless lover cast aside

Emi C

This is how she came to be Lorelei of the sea

G

Hopes destroyed she wanted to find certain death peace of mind

Emi C

Now you wonder who is she Lorelei of the sea

Many tales I've been told of sailors having died

after seeing a mermaid known as Lorelei

Faithless lover that is me and she siren of the sea

So next time that the seagulls fly don't you cry sweet Lorelei

G

Seagulls fly when mermaids cry

Emi C

Those tears wont dry for Lorelei

The guilt is mine I was untrue the question is what am I to do

All I know is I got to try to find sweet Lorelei

Make amends for what's been done cause I believe that she's the
one

Try to find sweet Lorelei

D C

There she is I hear her cry

D C

She's asking me if I will die

There ain't nothing I won't do for Lorelei

Seagulls fly when mermaids cry

Those tears wont dry for Lorelei
