

## Wishing It Was

Eagle Eye Cherry

Beauty and grace is what touches me most  
Good times can put me in fear  
I always feel safe when things are bad  
So I can not let you come near  
It seems that I thrive on the dark side of things  
I always feel alive when the death bell rings  
Now you have come and bring out the tears in me

Pain never makes me cry  
But happiness does  
It's so strange to watch my life walk by  
Wishing it was  
Wishing it was more like a fantasy  
Where everyday surprises me  
Wishing it was

This feeling won't last  
'Cause I can not survive  
I tell you I've been here before  
When it's movin' this fast  
It's a matter of time  
One of us walks out that door  
It seems that I thrive on the dark side of things  
I always feel alive when the death bell rings  
Now you come and you bring out the tears in me

But happiness does  
It's so strange to watch my life walk by  
Wishing it was  
Wishing it was more like a fantasy  
Where everyday surprises me  
Wishing it was

Give this some thought  
And I'm sure you will know  
This is the way it must be  
Emotions will rise  
Emotions will flow  
You bring out the tears in me  
You bring out the tears in me
