

You

Eagle Eye Cherry

Late in the day, summer is gone
And change is on its way
Watchin' her play, here in her life
If I could pray, then I would pray

Her smile is you
In the middle of missin' you
In the middle of wishin' we were back
When we had all the time in the world
I was too young to miss you, it was all about me and you

Nowhere to go, nothing to do
Vinyl nice and low
Now when she sings, I hum along
Man, I'd give anything

For one more night with you
In the middle of missin' you
In the middle of wishin' we were back
When we had all the time in the world
I was too young to miss you, it was all about me and you

I hope she loves me the way that I love
I hope she loves me the way that I love
You
In the middle of missin' you
In the middle of wishin' we were back
When we had all the time in the world
I was too young to miss you, it was all about me and you

You
Oh
It was all about me and you
It was all about me and you
All about me and you
