

# I'm Your Torpedo

Eagles of Death Metal

Dogs on the loose, gonna call my name  
You let guitar like a monkey, gonna lick your brain  
Move it to the left, shake it to the right  
Make some room for your daddy cuz we gonna make a living tonight

Scratch like a cat and bark like a bitch  
To let me know that you're mine  
You're mine  
You're mine  
Scratch like a cat and bark like a bitch

I don't care what the people say  
Let him go, innocent  
Off with your head  
Off with the light  
He takes the man and a light, and I guess it's goodnight

Tell him scratch like a cat and bark like a bitch  
Well I guess it's goodnight  
Scratch like a cat and bark like a bitch
