

# One Of These Nights

Eagles

One of these nights  
One of these crazy old nights  
We're gonna find out  
Pretty mama  
What turns on your lights  
The full moon is calling  
The fever is high  
And the wicked wind whispers  
And moans

You got your demons  
You got desires  
Well, I got a few of my own

Oo, someone to be kind to in  
Between the dark and the light  
Oo, coming right behind you  
Swear I'm gonna find you  
One of these nights

One of these dreams  
One of these lost and lonely dreams  
We're gonna find one  
One that really screams

I've been searching for the daughter  
Of the devil himself  
I've been searching for an angel in white  
I've been waiting for a woman who's a little  
Of both  
And I can feel her but she's nowhere  
In sight

Oo, loneliness will blind you  
In between the wrong and the right  
Oo, coming right behind you  
Swear I'm gonna find you  
One of these nights

One of these nights  
In between the dark and the light  
Coming right behind you  
Swear I'm gonna find you  
Get 'ya baby one of these nights  
One of these nights  
One of these nights  
I can feel it  
I can feel it  
One of these nights  
Coming right behind you  
Swear I'm gonna find you now  
One of these nights...
