

## Saturday Night

Eagles

Seems like a dream now, it was so long ago  
The moon burned so bright and the time went so slow  
And I swore that I loved her and gave her a ring  
The bluebird was high on the wing

Whatever happened to Saturday night  
Finding a sweetheart and holding her tight?  
She said, "Tell me, oh, tell me, was I all right?"  
Whatever happened to Saturday night?

The years brought the railroad  
It ran by my door  
Now there's boards on the windows  
And dust on the floor  
And she passes the time at another man's side  
And I pass the time with my pride

What a tangled web we weave  
Go 'round with circumstance  
Someone show me how to tell the dancer  
From the dance

What ever happened  
To Saturday night?  
Choosin' a friend and loosin' a fight  
She said, "Tell me, oh, tell me, are you alright?"  
Whatever happened to Saturday night?  
Whatever happened to Saturday night?
