## **Take It To The Limit**

All alone at the end of the of the evening And the bright lights have faded to blue I was thinking 'bout a woman who might have Loved me and I never knew

You know I've always been a dreamer (spent my life running 'round) And it's so hard to change (Can't seem to settle down) But the dreams I've seen lately Keep on turning out and burning out And turning out the same

So put me on a highway And show me a sign And take it to the limit one more time

You can spend all your time making money You can spend all your love making time If it all fell to pieces tomorrow Would you still be mine?

And when you're looking for your freedom (Nobody seems to care) And you can't find the door (Can't find it anywhere) When there's nothing to believe in Still you're coming back, you're running back You're coming back for more

So put me on a highway And show me a sign And take it to the limit one more time

Take it to the limit Take it to the limit Take it to the limit one more time
