

## enemy

eaJ

The trees, out the window, are hanging low  
Might be the alcohol  
The smoke in our head is exceptional  
We're professionals, we don't care at all  
We're so stubborn, yeah, yeah, yeah  
Show me all your texts real fast  
Trust in us, a line we way passed

I've seen your DMs in other people's inboxes, pause  
Then we cover our mistakes with "Fuck you"s  
And threats of other lovers what's true or false  
Can't tell one from the other  
I don't know at all, I don't know at all  
I don't know at all  
In case, it ever keeps you up at night

I don't hate you, I don't hate you  
Sometimes love does us wrong  
I don't hate you, I don't hate you  
But I hate when you are gone

I'm not tryna be your  
Enemy, enemy, enemy  
Enemy, enemy, enemy  
Enemy, enemy, enemy  
I'm not tryna be your  
Enemy, enemy, enemy  
Enemy, enemy, enemy  
Enemy, enemy, enemy  
I'm not tryna be your

You said some things that you didn't mean  
I get it, I get it  
I told you truth then you doubted me  
Interrogations havin' 'bout the love, no, slow down  
Where you been every time at the house

In case it ever keeps you up at night

I don't hate you, I don't hate you  
Sometimes love does us wrong  
I don't hate you, I don't hate you  
But I hate when you are gone

I'm not tryna be your  
Enemy, enemy, enemy  
Enemy, enemy, enemy  
Enemy, enemy, enemy  
I'm not tryna be your  
Enemy, enemy, enemy  
Enemy, enemy, enemy  
Enemy, enemy, enemy  
I'm not tryna be your

I've seen your DMs in other people's inboxes, pause  
Then we cover our mistakes with "Fuck you"s  
And threats of other lovers what's true or false

Can't tell one from the other  
I don't know at all, I don't know at all  
I don't know at all  
In case it ever keeps you up at night
