

## ruin my life

eaJ

I bet you'd ruin my life  
I bet you'd ruin my life  
But I'd keep holding on so tight  
Yeah, I'd keep holding on so tight

I'm not sure if you love me equal  
All my stupid thoughts might be lethal  
I think 'bout you so much, I can't sleep  
No text back, my heart skips a heartbeat

And when I talk, I'm so afraid  
That you might find out who I am  
So every night, I lie awake  
I pray tonight's not the night

I bet you'd ruin my life  
I bet you'd ruin my life  
But I'd keep holding on so tight  
Yeah, I keep holding on so tight  
I bet you'd ruin my life  
I bet you'd ruin my life  
But I'd keep holding on so tight  
Yeah, I keep holding on so tight

I think that our time might be borrowed  
Got no time to think 'bout tomorrow  
When you say goodbye, I go six feet  
Don't do that, my heart skips a heartbeat

And when I talk, I'm so afraid  
That you might find out who I am  
So every night, I lie awake  
I pray tonight's not the night

I bet you'd ruin my life  
I bet you'd ruin my life  
But I'd keep holding on so tight  
Yeah, I keep holding on so tight  
I bet you'd ruin my life  
I bet you'd ruin my life  
But I'd keep holding on so tight  
Yeah, I keep holding on so tight
