

Sincerely,

Do you think it'd be different if I wasn't here?
You wouldn't be worried, you wouldn't be scared
And there'd be no "sorry"s, 'cause there'd be no fear
You wouldn't have to be sorry
Sorry you always gotta be sorry
For something you haven't done
It's always something I did
Or something I said
And something I thought, my God, was I wrong?
I think I'm wrong for you
I'm sure I'm wrong for you, wish that wasn't true
But it is

Do you think I'm a problem like you should?
'Cause I think you should toss me like you know I would
'Cause you know I know I'm a problem
I don't wanna be yours, 'cause I love you
You deserve more than this
Do you think I'm a problem like you should?
'Cause I know you should toss me like you know I would
I'm a problem
I don't wanna be yours, 'cause I love you
You deserve more than this, than me
