Another typical story  
Boredom is calling  
He left her in lightning  
While fighting was frightening  
Never again  
She promised again

Face down in the glory  
Wake up unholy  
There's power in stories  
But only from Casper  
Told her he loved her  
Then tasted the skin  
And never again

I'll wait on you  
So you don't have to lose  
Another moment moving ahead  
I'll wait on you  
Cause now you hardly move but  
In seconds you'll be running again

Disappointed appointments of lessons  
Criss-crossing the crayons, keeps OCD guessing  
Your first impression  
Never changed for a second  
But c'est la vie, c'est la vie, let me be  
Raced in the suffocation  
Responses in conversation  
With nothing in small relation  
More socio-complications  
Never again  
She promised again

I'll wait on you  
So you don't have to lose  
Another moment moving ahead  
I'll wait on you  
Cause now you hardly move but  
In seconds you'll be running again
