

when the rain stops

eaJ

Sorry if it feels like I'm out of it
I'm a little fucked up
Guess it doesn't get easier
Like they say that it does
Sorry if I owe you apologies
I'm a little backed up
Disappointed some people
Who gave me nothing but love

Oh, I'm such a mess
Counting up all my regrets
Maybe it's all in my head
Maybe it's all in my head

Even when the rain stops
I can feel it follow me
Even when the pain's gone
I can feel it haunting me
And it's gonna kill me

Maybe I'm some kind of animal
Maybe everyone is right
I have trouble believing
That I could be a good guy, oh
I quit the bars
But I still gotta do my time
Is it all?
But I still wanna make it right
All the best I can do is to stay alive

Oh, I'm such a mess
Counting up all my regrets
Maybe it's all in my head
Maybe it's all in my head

Even when the rain stops
I can feel it follow me
Even when the pain's gone
I can feel it haunting me
And it's gonna kill me

Oh God, I'm sorry
And I'll be sorry till I die
Oh God, I'm sorry
My past it haunts me every night
And if you're wondering
I might have tried a couple times
Oh God, I'm sorry
And I'll be sorry till I die

Till I die, till I die, mmm
