

Bury The Bones

Eamon

Way deep in the shadows, darkness flooding my veins
Caught up in the bottle, nothing's numbing the pain
Good Lord, I'm torn. It's like I'm drawn to the flames
Straight path to the gallows, ain't nobody to blame

It's harder and harder and harder to see
A way out from the wicked in me

Down in the valley (diggin' diggin' diggin') Diggin' a hole
Under the moonlight (bury bury bury)
Bury the bones

High up in the mountains, 'cross enemy lines
Dead weight got me drowning, one too many times
Good Lord, I'm torn. It's like I'm drawn to the fire
Scream out to the heavens, ain't ready to die

It's harder and harder and harder to see
A way out from the wicked in me

Down in the valley (diggin' diggin' diggin') Diggin' a hole
Under the moonlight (bury bury bury)
Bury the bones

Down in the valley (diggin' diggin' diggin') Diggin' a hole
Under the moonlight (bury bury bury)
Bury the bones
