

## Counting Down

Eamon

When the snow starts coming down  
And winter coats come out  
The feelings in the air  
See the blocks just light up  
And the kids all write up  
Their list for Santa

Dreamin' of toys  
And candy canes  
All of the joy  
The season brings  
Families together choose their tree  
Won't be long now 'til it's Christmas Eve

Lights are aglow and you know that it's close  
Everybody's counting down to Christmas Day  
Everybody's counting down to Christmas Day  
Everybody's counting down to Christmas Day  
Woo ooh ooh ooh

When we unpack the decorations  
The anticipation just fills the neighborhood  
So we hang the stockings  
And wrap up boxes  
While carols ring out

Dreamin' of toys  
And candy canes  
All of the joy  
The season brings  
Families together choose their tree  
Won't be long now 'til it's Christmas Eve

Lights are aglow and you know that it's close  
Everybody's counting down to Christmas Day  
Everybody's counting down to Christmas Day  
Everybody's counting down to Christmas Day

(Christmas Day, Christmas Day, Christmas Day)  
They're singing  
Buon Natale  
Feliz Navidad  
Oh Happy Christmas  
Whoa oh oh oh oh oh  
Joyeux Noel  
O Tannenbaum  
Have a Merry Christmas  
Whoa oh oh oh oh oh

Dreamin' of toys  
And candy canes  
All of the joy  
The season brings  
Families together choose their tree  
Won't be long now 'til it's Christmas Eve

Lights are aglow and you know that it's close

Everybody's counting down to Christmas Day  
Everybody's counting down to Christmas Day  
Everybody's counting down to Christmas Day

Woah uh ohh yes

Everybody's counting down to Christmas Day, hey!
