

# Love Lovin U

Eamon

Lovemakin' in the morning time  
She takin' care of me every day  
She know just how to touch my soul  
Love lovin' you  
I love, love lovin' you

From cookin' to sexin', whatever I'm feenin'  
My fantasy  
(Yeah)  
From kissin' to cleanin', this girl is the meanest  
I've ever seen  
I'm so glad I found  
Girl like you around  
Who can hold me down  
Turn frowns to smiles  
(Uh)  
You're my girl (My girl)  
You're my world (My world)  
There's no breakin', for nathin', soul takin', lovemakin'

From sharin' to carin', it's hard to compare it  
To anything  
(Yeah)  
From tourin' and workin', I know that she's hurtin'  
But she knows it pays  
And I'm so glad I found  
A girl like you around  
Who can hold me down  
Turn frowns to smiles  
Think about it  
You're my girl (My girl)

That's why when it's late at night  
I hold you tight  
I'll never let you go
