# Love & Pain

**Eamon**

What am I feeling?
Why do I let this get to me?
(Huh)
What are these feelings?
Is it that I'm too blind to see?
What do I get now?
All of the shit that I go through

From love and pain
(Love and pain)
They're one in the same (Huh)
Love and pain
(Love and pain)
One pawn in the game
Love and pain
(Love and pain)
And what is it you gain
From love and pain?
(Love and pain) (Huh, huh)
Some things never change
Like love and pain
