Mama Don't Cry

Eamon

Mama don't cry I couldn't stop
I know I put you through a lot
I let you down right from the start
Wasting my days breaking your heart

Your my flesh and blood I'm part of you
When I'm harming me I'm harming you
I'm your baby boy and your my best friend
I won't let you down again

Papa don't cry I made it back
I lost it all but cleaned up my act
Didn't matter the size of the crowd
I did it all to make you proud

Your my flesh and blood I'm part of you
When I'm harming me I'm harming you
I'm your pride & joy your my biggest fan
And I won't let you down again

I'll make it right at any cost
I fought the war and almost lost
I'll be back in your arms soon

Mama don't cry I couldn't stop
I know I put you through a lot

Your my flesh and blood I'm part of you
When I'm harming me I'm harming you
I'm your baby boy and your my best friend
I won't let you down again
