Older

Eamon

Yeah, yo
No, no (Yeah!)

Yeah
Yeah, that's right (Ho)
Ho, ho (Oh)
Uh
Staten Island, uh (Whoa)
Yeah (Uh)
Come on (Yeah)
Uh
Yo
Yeah, bitch, bob ya head (Yeah)
Ho-wop, come on (Yeah, uh)

Don't know what ya talkin' 'bout, I'll always have hoes by my side
(Uh)
Smokin' blunts, gettin' drunk, stayin' high 'til the very last day I die
(Uh)
And there's nothing like new pussy, so there's no worries 'bout wives
(Yeah)
And there ain't nobody out there gonna tell me how to live my life

As I get older
(Son, I'ma do my own thing
Either it's a bad bitch or money where my flow brings)
When I get older
(I'ma still kick it with the homies
Remain sucka-free and stay the fuck away from phonies)
If I get older
(Aiyyo, E, don't even say that
I ain't tryna go to a oldie-but-goodie fade-back)
I don't wanna get older
Never happen to me
Never ever ever happen to E, no (Yeah, uh, come on)

It's the Grey Goose bottles and lingerie models
Ho-wop, I got the fountain of youth
I'ma stay young, stay fly, stay stackin' chips
I got hits 'cause I speak the truth
(Huh)
I stay kickin' it
The chicks love lickin' it
Love when I'm hittin' it, so E stay stickin' it
Young child, so wild, no tellin' what I'm ever gonna say or do (Come on)

As I get older
(Son, I'ma do my own thing
Either it's a bad bitch or money where my flow brings)
When I get older
(I'ma still kick it with the homies
Remain sucka-free and stay the fuck away from phonies)
If I get older
(Aiyyo, E, don't even say that
I ain't tryna go to a oldie-but-goodie fade-back)
I don't wanna get older
Never happen to me

Never ever ever happen to E, no (Come on)

I live the fast life, keep my shit tight
Never steer left 'cause I'm always right
Damn, I'm so fine, and I'ma stay shinin'
Let the party keep goin', flowin'
Livin' life like whoa
No stress, so I never feel old
"Slow down" is what I been told
Fuck that, I keep it outta control
Like whoa (Come on)

As I get older
(Son, I'ma do my own thing
Either it's a bad bitch or money where my flow brings)
When I get older
(I'ma still kick it with the homies
Remain sucka-free and stay the fuck away from phonies)
If I get older
(Aiyyo, E, don't even say that
I ain't tryna go to a oldie-but-goodie fade-back)
I don't wanna get older
Never happen to me
Never ever ever happen to E, no (Come on)

As I get older
When I get older
If I get older
I don't wanna get older
Never happen to me
Never ever ever happen to E, no (Come on)
