Up & Down

Eamon

And so I learn a lot by what I see
She's fallin' out of love with me
Shoulda never gave up trying love so quick, oh why?
And so I lived it up and played her down
Wishin' she was with me right now
I'd change my life and go back into time

And it was like
Up and down
Is the way that our love gets
Around and 'round (It's around and 'round we go)
Never know which side to show
Up and down
Is the way that our love gets
'Round and 'round
'Round and 'round we go
'Round and 'round we go
('Round and 'round, 'round...)

And so I met her and it felt like love
She could care less who I was
I respect it 'cause she brought that real live shit, so real
And it started like a true romance
I wonder if I took a chance
Would it be the way I long for so much now?

And it was like
Up and down
Is the way that our love gets
(That's the way)
Around and 'round (It's around and 'round we go)
Never know which side to show (Never know)
Up and down
Is the way that our love gets
(Oh!)
'Round and 'round
'Round and 'round we go
'Round and 'round we go
('Round and 'round, 'round and 'round, 'round and 'round) (Yeah)

Seein' how hard it gets
No, I never will forget
Thinkin' 'bout all the times we had
Talkin' 'bout from the good to bad
And even if it feels like it's the end
We can work it out again
It's like up and down, 'round and 'round we go

Up and down
'Round and 'round (It's around and 'round we go)
Never know which side to show
Up and down
Is the way that our love gets
'Round and 'round
'Round and 'round we go
'Round and 'round we go

And it was like
Up and down (Up and down, up and down)
Is the way that our love gets (That's it, that's the way)
Around and 'round (It's around and 'round we go)
Never know which side to show (Never know)
Up and down (Oh!)
Is the way that our love gets (Love gets!)
'Round and 'round
'Round and 'round we go ('Round and 'round and 'round and 'round, yeah)
'Round and 'round we go

And it was like
Up and down
('Round and 'round, 'round and 'round, 'round)
Around and 'round (It's around and 'round we go)
Up and down
'Round and 'round
'Round and 'round we go
'Round and 'round we go
('Round and 'round, 'round, 'round, 'round, 'round, 'round, 'round)
