

Yo, I'm a hot and bothered astronaut crashing while  
Jacking off to buffering vids of Asher Roth eating apple sauce  
Sent to Earth to poke Catholics in the ass with saws  
And knock blunt ashes into their caskets and laugh it off  
Twisted sicker than mad cattle, in fact I'm off  
Six different liquors with a Prince wig plastered on  
Stop screamin', bitch: you shouldn't be that alarmed  
When Big Lips is in the Attic Arms with an addict's arm  
Earl puts the "ass" in "assassin"  
Puts the pieces of decomposing bodies in plastic  
Puts them in a pan and mixes it up with scat  
Then gobbles it like fat black bitches and catfish  
It so happens that I'm so haphazardous  
I'll puke a piece and put it on a hook and fuckin' cast the shit  
I'm askin' that you faggot rap actors take action  
And get a hall pass for this class-act shit  
How the fuck I fit an axe in a satchel?  
Slip capsules in a glass, you dizzy rascal  
Party staff baffled, askin' where her ass go  
In my room, redefinin' the meanin' of black holes  
Go on, suck it up; but hurry, I got nuts to bust  
And butts to fuck and ups to shut and sluts to fuckin' uppercut  
It's OF buttercup, go ahead, fuck with us  
Without a doubt, a sure-fire way to get your mother fucked  
Ask her for a couple bucks, shove a trumpet up her butt  
Play a song, invade a thong, my dick is havin' guts for lunch  
As well as supper; then I'll rummage through her ruptured cunt  
Found the mustard, fuckin' nosey neighbors notice somethings up  
"What you doin'?" Nothin' much, squish out some other stuff  
Got to fucking bounce, guess the bouncer's had enough of us

Get up off the pavement, wipe the dirt and vomit off  
DopeBoyz hatin' but them faggots is a lotta talk  
Cotton soft pussy them Odd niggas is Molotov  
Cocktails, fuckin' toss one in your apartment dog  
Wolf Gang we ain't barkin', nah  
Try talkin' on a blog with your fuckin' arms cut off  
Put in a carpet and watch it get auctioned off  
The Ace tell Shake's daughter "We're sorry, but papa's gone, bitch"
