

Making The Band (Danity Kane)

Earl Sweatshirt

EVILGIANE

SURF GANG

Yuh, uh

What is the plan, fuck is you sayin'?

Lil' momma off Danity Kane

Been geeked up, how many days? Yeah

What is the plan, fuck is you sayin'?

How many bands I'm finna make?

Feel like Diddy standin' in a bank

I feel like Diddy dancin' in the rain

You yappin', I'ma go in your face

Bruce Banner, how I handle the rage (You wouldn't like me when I'm angry), y eah

Loose cannon, enemy of the state

Gene Hackman, we gettin' away

Two hammers, how we get in the safe, uh

Do damage in a critical way

Boof packin', we ship it away

You mad, got 'em feelin' the wave, yeah

Too bad, hunnid dollar eighths

If I don't got the time or the space, sixteen-passenger plane, uh

Sistine Chapel, I pray

Fish cheeks snap on a bait

Chipped teeth, snack on the prey, uh

Stampede crackin' the gates

Blow money fast, just like a game

Go through the cash like it's a phase, uh

What is the plan, fuck is you sayin'?
