Earl Sweatshirt

Give it to you straight, no frills  
What I think might pay the bills  
Spit on the cam like Makaveli (Fuck y'all)  
Came home in the 2011  
Pasadena, John calling me Relly  
Ain't know where none of this shit was headed (I ain't even know)  
In a LAC, Nak gon' protect me  
Bro just crashed, fucked up his Dodge  
Now he shopping for another HEMI (Escape from Rock, I wrecked the wheel)  
Did the dash, got outta dodge  
Crashed out grandmama car  
They got tipped off by a civilian (Yes sir)  
Yes sir, think I already feel it  
Sweatshirt, 'cause you know how revenge is best served  
Cold dish (Pressure cookin' roast)  
No assist, I'm out here on a mission  
Triple doublin' off of the strips  
Get ghost like I need a killer  
Get ghost like a apparition  
Home town hold me down like a rock  
So you know how I gotta skip it (Skip, skip it)  
So you know just how we living  
Took it slow, saw what it could give me  
Hit the road, go a mile a minute  
Mask on like a supervillain  
Daniel, who you in the den with? Lion  
Wasn't lying when I told  
Dawg's on the floor now 'cause I skinned 'em  
On the 10, east homebound  
I just broke down with the chemist (Yeah)  
Midtown, niggas pimpin' (You know how we get it)  
Iceberg, MAC kinda slim  
What they couldn't see sink the ships  
Capsize mean you's a flip (We know you)  
Send a postcard from the depth  
Bleed the vein 'til nothing left  
You look drained, you should get some rest (Yeah, go get some rest)  
You look drained, you should get some rest
