

The Perfect Picture (To Fit My Frame of Mind)

Earl Thomas Conley

Come on in, close the door
Have I seen you here before?
Well, a girl like you can sure light up a room
Pardon me, do you care
If I just pull up a chair
There's a thing or two I'd like to say to you

Well there's someone who left me that I've waited for so long
But just tonight I realized, she's not coming back at all
And funny thing, how you walked in at just the right time
'Cause you're the perfect picture to fit my frame of mind

Looking back, now I know
I should have done this long ago
So, I came in here to make a brand new start
So, don't go, take your time
I've got a whole new state of mind
And tonight you look just like a work of art

There's someone who left me that I've waited for so long
But just tonight I realized, she's not coming back at all
And funny thing, how you walked in at just the tight time
'Cause you're the perfect picture to fit my frame of mind
'Cause you're the perfect picture to fit my frame of mind
