

Under Control

Earl Thomas Conley

Well we started out searchin' for a better way to feel
But do you have to go crazy before you find somethin' real
We've been doin' too little and keepin' too much on hold
We're just two people searchin' for a reason to lose control

Yeah we've always heard that good love was so hard to find
But you always knew that it was only a matter of time
I've been setting for less 'cause I didn't know there was more
Yes, I've been lookin' right through you 'cause I never really
seen you before

You're getting to my heart, I'm gonna let ya
I'm after your love, baby I'll bet ya
I'm gonna get ya
We've been doin' too little and keepin' too much on hold
Just two people in love learning how to get it under control

You're getting to my heart, I'm gonna let ya
I'm after your love, baby I'll bet ya
I'm gonna get ya
We've been doin' too little and keepin' too much on hold
Just two people in love learning how to get it under control

Yeah, we've been doin' too little and keepin' too much on hold
Just two people in love learning how to get it under control
