

## F the CC

Steve Earle

I used to listen to the radio  
I don't guess they're listenin' to me no more  
And they talk too much but that's okay  
I don't understand a single word they say

They piss and moan about the immigrants  
Don't say nothin' about the President  
A democracy don't work that way  
I can say anything I wanna say

So fuck the F.C.C.  
Fuck the F.B.I.  
Fuck the C.I.A.  
Livin' in the motherfuckin' U.S.A.

People tell me that I'm paranoid  
I admit I'm gettin' pretty nervous, boy  
It just gets tougher everyday  
Sit around and watch it while it slips away

Been called a traitor and a patriot  
Call me anything you want to but  
Just don't forget your history  
Dirty Lenny died so we could all be free

So fuck the F.C.C.  
Fuck the F.B.I.  
Fuck the C.I.A.  
Livin' in the motherfuckin' U.S.A.

F U C K  
F U C K

Fuck the F.C.C.  
Fuck the F.B.I.  
Fuck the C.I.A.  
Livin' in the motherfuckin'

Fuck the F.C.C.  
Fuck the F.B.I.  
Fuck the C.I.A.  
Livin' in the motherfuckin'

Fuck the F.C.C.  
Fuck the F.B.I.  
Fuck the C.I.A.  
Livin' in the motherfuckin' U.S.A.
