

## Pilgrim

Steve Earle

I am just a pilgrim on this road, boys  
This ain't never been my home  
Sometimes the road was rocky 'long the way, boys  
But I was never travelin' alone

We'll meet again on some bright highway  
Songs to sing and tales to tell  
But I am just a pilgrim on this road, boys  
Until I see you fare thee well

Ain't no need to cry for me, boys  
Somewhere down the road you'll understand  
'Cause I expect to touch his hand, boys  
Put a word in for you if I can
