

Somethin' Else

Steve Earle

A look a-there
Here she comes
Here comes that girl again
Wantin' to date her
Since I don't know when
But she don't notice me when I pass
She goes with all the guys from a-out of my class
But that ain't stoppin' me from thinkin' to myself
She's sure fine lookin', man
She's somethin' else

A look a-there
'Cross the street
There's a car made just for me
To own that car
Would be a luxury
But right now I can't afford the gas
A brand new convertible is out of my class
But that ain't stoppin' me from thinkin' to myself
That car's fine lookin', man
It's somethin' else

Hey look a-there
Just wait and see
Work hard and save my dough
I'll buy that car
I can roll up and show
Get me that girl and we'll go ridin' around
We'll look real sharp with a black top down
I keep right on a-dreamin' and a-thinkin' to myself
When it all comes true, man
She's somethin' else

Look a-here
What's all this?
Never thought I do this before
But here I am a-knockin' on her door
My car's out front and it's all mine
It's a forty nine job not a fifty nine
I got that girl and I'm a-thinkin' to myself
She's fine lookin', man
She's somethin' else
