

# Time Has Come Today

Steve Earle

Time has come today  
Young hearts can go that way  
Can't put it off another day  
I don't care what others say

They say we don't listen anyway  
Time has come today  
The rules have changed today  
I have no place to stay

Thinking about the subway  
The love has flown away  
My tears have come and gone  
Oh, my Lord, I have to roam

I have no home  
I have no home

Now the time has come  
No place to run  
I might get burned up by the sun  
But I had my fun

I've been loved and put aside  
I've been crushed by tumbling tide  
And my soul has been psychedelized  
Now the time has come

There are things to realize  
Time has come today  
Time has come today  
Time
