

Color Bars

Earlimart

If they don't come between us
We'll write it on the walls, oh
And if they do they'll teach us
With brand new color bars

We'll be happy if they hate us
No friends will be outside, oh
Yeah, we're happy if they hate us
No friends await outside

We'll be happy if we can
We'll be happy if we can
We'll be happy if we can
