

For The Birds

Earlimart

I'll watch over you from above
Watch with signs of your love
And heaven's not the same in the rain
It's just a sad old tale like today

But I'm already in your heart
Said I'm already in your heart
Then I knew right from the start
That I'm already in your heart

Well it's getting late, we should stay here
But you're on the phone, miles away
And though I know it's not the same
We can fall asleep, dream of ways

But you're already in my heart
Said you're already in my heart
And I knew right from the start
That you're already in my heart
