For The Birds

Earlimart

I'll watch over you from above Watch with signs of your love And heaven's not the same in the rain It's just a sad old tale like today

But I'm already in your heart Said I'm already in your heart Then I knew right from the start That I'm already in your heart

Well it's getting late, we should stay here But you're on the phone, miles away And though I know it's not the same We can fall asleep, dream of ways

But you're already in my heart Said you're already in my heart And I knew right from the start That you're already in my heart
