

Back with a vengeance now  
I'm still alive  
Back with a brand new heart  
A found redemption  
Back with a clean memory  
It's no mistake  
Back with no regrets  
But night lives over  
I'm finally alive again  
No one's chasing me anymore and I'm finally  
Sober, sober, better  
Finally sober, sober, better  
Done with the sorry eyes  
I still may cry  
Done with the shameful life of being reckless  
Done with the apologies  
I've learned my lesson  
Done with the promises  
But night lives over  
I'm finally alive again  
No one's chasing me anymore and I'm finally  
Sober, sober, better  
Finally sober, sober, better  
Na na na na na  
Na na na na na  
Na na na na na  
Na na na na na  
Na na na na na  
Na na na na na  
Na na na na na  
Na na na na na  
But night lives over  
I'm finally alive again  
No one's chasing me anymore and I'm finally  
Sober, sober, better  
Finally sober, sober, better
