

# Joy

Earnest Pugh

Woo

All of my joyful people, c'mon, put your hands on in  
If you're joyful, scream

Weeping may endure for a night  
But joy's gonna come in the morning  
Weeping may endure for a night  
But joy's gonna come in the morning

Amazing Grace, how sweet that sound  
That saved a wretch like me  
For I was once lost, but now I'm found  
Was blind, but now I see

Weeping may endure for a night  
But joy's gonna come in the morning  
Weeping may endure for a night  
But joy's gonna come in the morning

Well, I came to Jesus just as I was  
I was wounded, weary and sad  
But I found in Him a resting place  
And he has made me glad, yeah

Weeping may endure for a night  
But joy's gonna come in the morning  
Weeping may endure for a night  
But joy's gonna come in the morning

Joy  
I said joy  
I said joy, joy, joy  
Joy, joy  
I said j-j-j-joy, j-j-j-joy  
J-J-J-Joy, can you help me say joy?  
Joy  
If you really got it  
Shout joy  
Joy in my heart  
Joy in my soul  
Life is sweet  
My joy is complete  
Yeah, joy  
I really got joy  
If you really got joy  
Let me see you wave your hands  
Ooh, joy  
Yes, joy  
Help me say "joy"  
Sing "joy"  
Wait a minute, wait a minute, now listen  
The bible says that weeping may endure for a night  
But can you look at your watch right quick?  
Because what comes in the morning?  
What comes in the morning?  
Listen, some of y'all done prayed too much  
You done cried too much

But it's time for you to declare something over your life  
Are you ready to declare the future over your life?  
Look at your neighbor eyeball-to-eyeball and tell 'em  
Look 'em straight in the eye  
And tell 'em "good morning"  
Good morning  
Good morning  
Good morning, now tell 'em, tell 'em, tell 'em  
You can take it  
I said you can take it  
The world didn't give it  
And they can't take-take it  
No, no, no, no, no, no one can  
You, you, you, you, you, you can't  
You, you, you, you, you, you can't  
I said you can't take it  
You can't have my joy  
You can't have my peace  
I said you, you, you, you, you, you, you, you  
You, you, you, you can't take it  
Shout "joy"  
Joy  
Oh, joy  
Yeah, joy  
Ooh-ooh  
Joy  
Unspeakable  
To glory  
Hey, joy  
Put your hands together and shout "joy"  
Anybody really got it, really got it, shout "joy"  
If you really, really, really, really got it, scream "joy"  
Now let your neighbor know  
Tell 'em, say, "You, you, you can't take it"  
You can't take it  
Can't have my joy  
Can't have my peace  
Life is sweet  
'Cause my joy's complete  
I said you can't take it  
No, no, no, no, no, no  
Help me say "joy"  
Say "joy"  
Joy  
Oh, joy  
Last time, say "joy"  
Woo, scream "I got it, I got it, I got it"
