

Unlost

Earshot

Here we are
Running in circles
Lost out in the dark
I had a dream
So obscene
It's so heavy, was my heart

I
Saw
Through
It all

Unlost
Nothing's ever what it seems
I'm crushed
But now I'm
Unlost
Now I get to finally see
Who are you really
And what do you want from me

Here we are
Total reversal
Close but far apart
I had a dream
So obscene
That I had found my heart

I
Lived
Through
It all

Unlost
Nothing's ever what it seems
I'm crushed
But now I'm
Unlost
Now I get to finally see
Who are you really
And what do you want from me

(Ah)
Yeah, yeah, yeah yeah
(Ah)
Ooh
(Ooh)
Ah yeah
(Ooh)
Ooh

Unlost
Nothing's ever what it seems
I'm crushed
But now I'm
Unlost
Now I get to finally see

Who are you really
And what do you want from me
Who are you really
And what do you want from me
Who are you really
And what do you want from me
