

## Into Nothingness

Earth Crisis

From one shift after another  
It all blurs into nothingness  
A drone that's set to turn the gears  
In a facility that I disgust  
Pierced by a glare of painful reproach  
As my vision reveals my own reflection  
Down the winding corridors  
Beneath the phosphorescent lamps  
Their desperate cries resonate  
From tombs they emanate  
Pierced by a glare of painful reproach  
As my vision reveals my own reflection

How long can this continue on?  
How much more can [?]  
I can't ignore this forever and leave them to this fate  
Evil is as real as the ground beneath  
Their reasoning is falseness  
I won't be complicit  
I won't be complicit  
From one shift after another  
It all blurs into nothingness  
A drone that's set to turn the gears  
In a facility that I disgust  
I'm not afraid to oppose
