

## Spirit

## Earth, Wind & Fire

Many years has passed and a day  
Still we walk, in the path  
That leads, to the light  
Shining down, on this great beyond  
Thoughts ignite us, let love unite us  
Then turn your face to the wind  
And taste his love within

You'll find a friend - everlasting love  
You can depend, everytime you smile  
You bless a child  
Our spirit perpetuates  
Our spirit meditates love and faith

We must make our brother see  
That the light is he  
Shining on you and me  
And the land he gave  
Roads we must pave  
Looking thru each others eyes  
Humanity will rise  
In love

And our spirit will  
Be at one with thee.
